## ^ Glacier Club

**DURANGO, COLORADO** Tucked into the western slope of Colorado's Rocky Mountains, the Glacier Club offers the perfect combination of backcountry isolation and worldly sophistication. Lose yourself inside the community's sumptuous 20,000-sq.-ft. clubhouse featuring fine dining, a billiards and card room, a private dining room and a wine cellar. Or step back into the Old West in downtown Durango, a mining-town-cum-skiing-mecca overflowing with rustic storefronts, award-winning restaurants and the historic Durango & Silverton Narrow Gauge Railroad. Back at home, meander across 27 holes of championship golf available on the Glacier Club's three nines (Hermosa, Cliffs and Glacier), or soak in a variety of outdoor activities, including whitewater rafting, fly-fishing and horseback riding. Custom homesites range from \$267,000 to more than \$1 million, while custom homes are priced from \$4.6 to \$5.5 million. **888.382.7888, [www.theglacierclub.com](http://www.theglacierclub.com).**
